

"Canada's Top 10™ showcases the innovative companies-to-watch in this country, making them attractive to leading international investors. Participating in the program for the past two years was key in helping I Love Rewards secure a successful Series B financing round with a U.S.-based venture capital firm in 2009."

"BLG is proud to be the founding sponsor for the Canada's Top 10™ Competition. Participation by the companies is a fast-track to information, training, contacts and access to mentors that would otherwise take years to develop. This is a program that supports the growth of Canada's innovation sector in a way that we want to be part of."
